9.25am	Roger Martin-Fagg
11.25am	Panel
12.45pm	Close and networking

Vistage Chair for the North East, Cumbria and Northumberland, Andrew Marsh, said:

"The previous events have hi-lighted important economic insights that we would not have otherwise thought about, meaning people left with a positivity they didn't come with."

Speaker Roger Martin-Fagg

Following on from the hugely successful 2024 and 2025 events, Roger is returning to the North East to put his money where his mouth is and reflect on his previous advice!

The renowned behavioural economist will combine his knowledge in finance and management strategy to give us an insight into what has been happening in 2026 and what we can expect going forward.

Taking into account current economic pressures and the October 28th budget, he will cut through the jargon to reveal what the numbers, market shifts and policy announcements really mean. Roger will close by considering the strategy organisations need in order to grow in the North East and how that strategy should evolve, be articulated, and reviewed for best success.
